

GRANTS MANAGER VACANCY

Contract: Permanent, Full-time

Salary: £27,000 – £30,000

Location: Manchester City Centre

The Royal Exchange Theatre sits at the heart of Manchester's culturally dynamic city centre. We are one of the largest and most compelling producing theatre companies in the UK.

Over the last 4 years, we have increased grant income from Trusts and Foundations by 50% to around £300K p.a. Looking forward, we plan to maintain and grow further our grant income.

To help us deliver this ambition, we are looking to recruit an experienced grants fundraiser to lead on raising and sustaining significant revenue from Trusts and Foundations. Applicants, therefore, will need to demonstrate a successful track record in securing significant sums from grant making bodies. To be truly successful in this role, a good understanding of the impact the arts can have on social change will be key.

Located within the Development Department, you will be part of a small and dynamic team of six FTE fundraisers, where everyone is collaborative, flexible and hands on in the day-to-day operation.

For an informal chat about the role, please contact Val Young, Development Director on val.young@royalexchange.co.uk or 0161 615 6759

Closing date: 10am, Monday 10 September

Interviews: Tuesday 18 September (First Round) and Wednesday 26 September (Second Round)

We believe that diversity strengthens and enriches us, and that it is the responsibility of everyone at the Royal Exchange Theatre to make the arts and cultural sector a more diverse and equal place. As Black, Asian and minority ethnic (BAME) and disabled people are currently under-represented here, we particularly encourage and welcome applications from BAME and disabled applicants. All appointments will be made on merit.
