

Senior Stage and Automation Technician Vacancy

Contract: Permanent

Salary: £24,481.38 per annum

Location: Manchester City Centre

The Royal Exchange Theatre sits at the heart of Manchester's culturally dynamic city centre. We are one of the largest and most compelling producing theatre companies in the UK.

We are currently seeking a Senior Stage and Automation Technician to join our Production Team.

The Senior Technician will take a central role in the provision and maintenance of all technical stage elements and takes the role of Supervisor for designated productions. This role is also the primary contact through design, pre-production, fit-up, technical rehearsals and the performance run including the turnaround into the next production. This will involve working closely with the Production Manager and wider team, co-ordinating stage technicians for set up, scene change and post-performance duties and call times.

If you would like further information on how to apply then please go to our website - <https://www.royalexchange.co.uk/about-us/jobs/>

Closing date: Sunday, 29 September 2019

Interviews: Tuesday, 08 October 2019

We believe that diversity strengthens and enriches us, and that it is the responsibility of everyone at the Royal Exchange Theatre to make the arts and cultural sector a more diverse and equal place. As Black, Asian and minority ethnic (BAME) and disabled people are currently under-represented here, we particularly encourage and welcome applications from BAME and disabled applicants. All appointments will be made on merit.
