

*The Royal Exchange is supporting Equity's Safe Spaces campaign, the following statement is read out at the start of every new rehearsal period, read through, workshop or project.*

“Every single one of us working on this project is entitled to work in a safe space: a space free of fear, a space free of bullying and harassment of any kind. We will work together honouring our differences and celebrating the gifts we each bring to the table. We will treat one another with politeness and respect at all times and, if we are subjected to or witness bullying and harassment, we will speak out knowing that our voices will be heard and we will be taken seriously. Together we can create a Safe Space.”
