METRO SHUTTLE

free travel in Manchester city centre

In addition to the replacement bus service, **Free Metroshuttle** buses help link the city centre train stations, shops and businesses.

These new routes are an excellent alternative to cross city centre travel for those who cannot, or do not wish to, use the walking routes.

While trams aren't running through St Peter's Square Metroshuttle 3 will temporarily run later in the evening for Metrolink customers. This may be subject to change.
