Baseler & Holmes

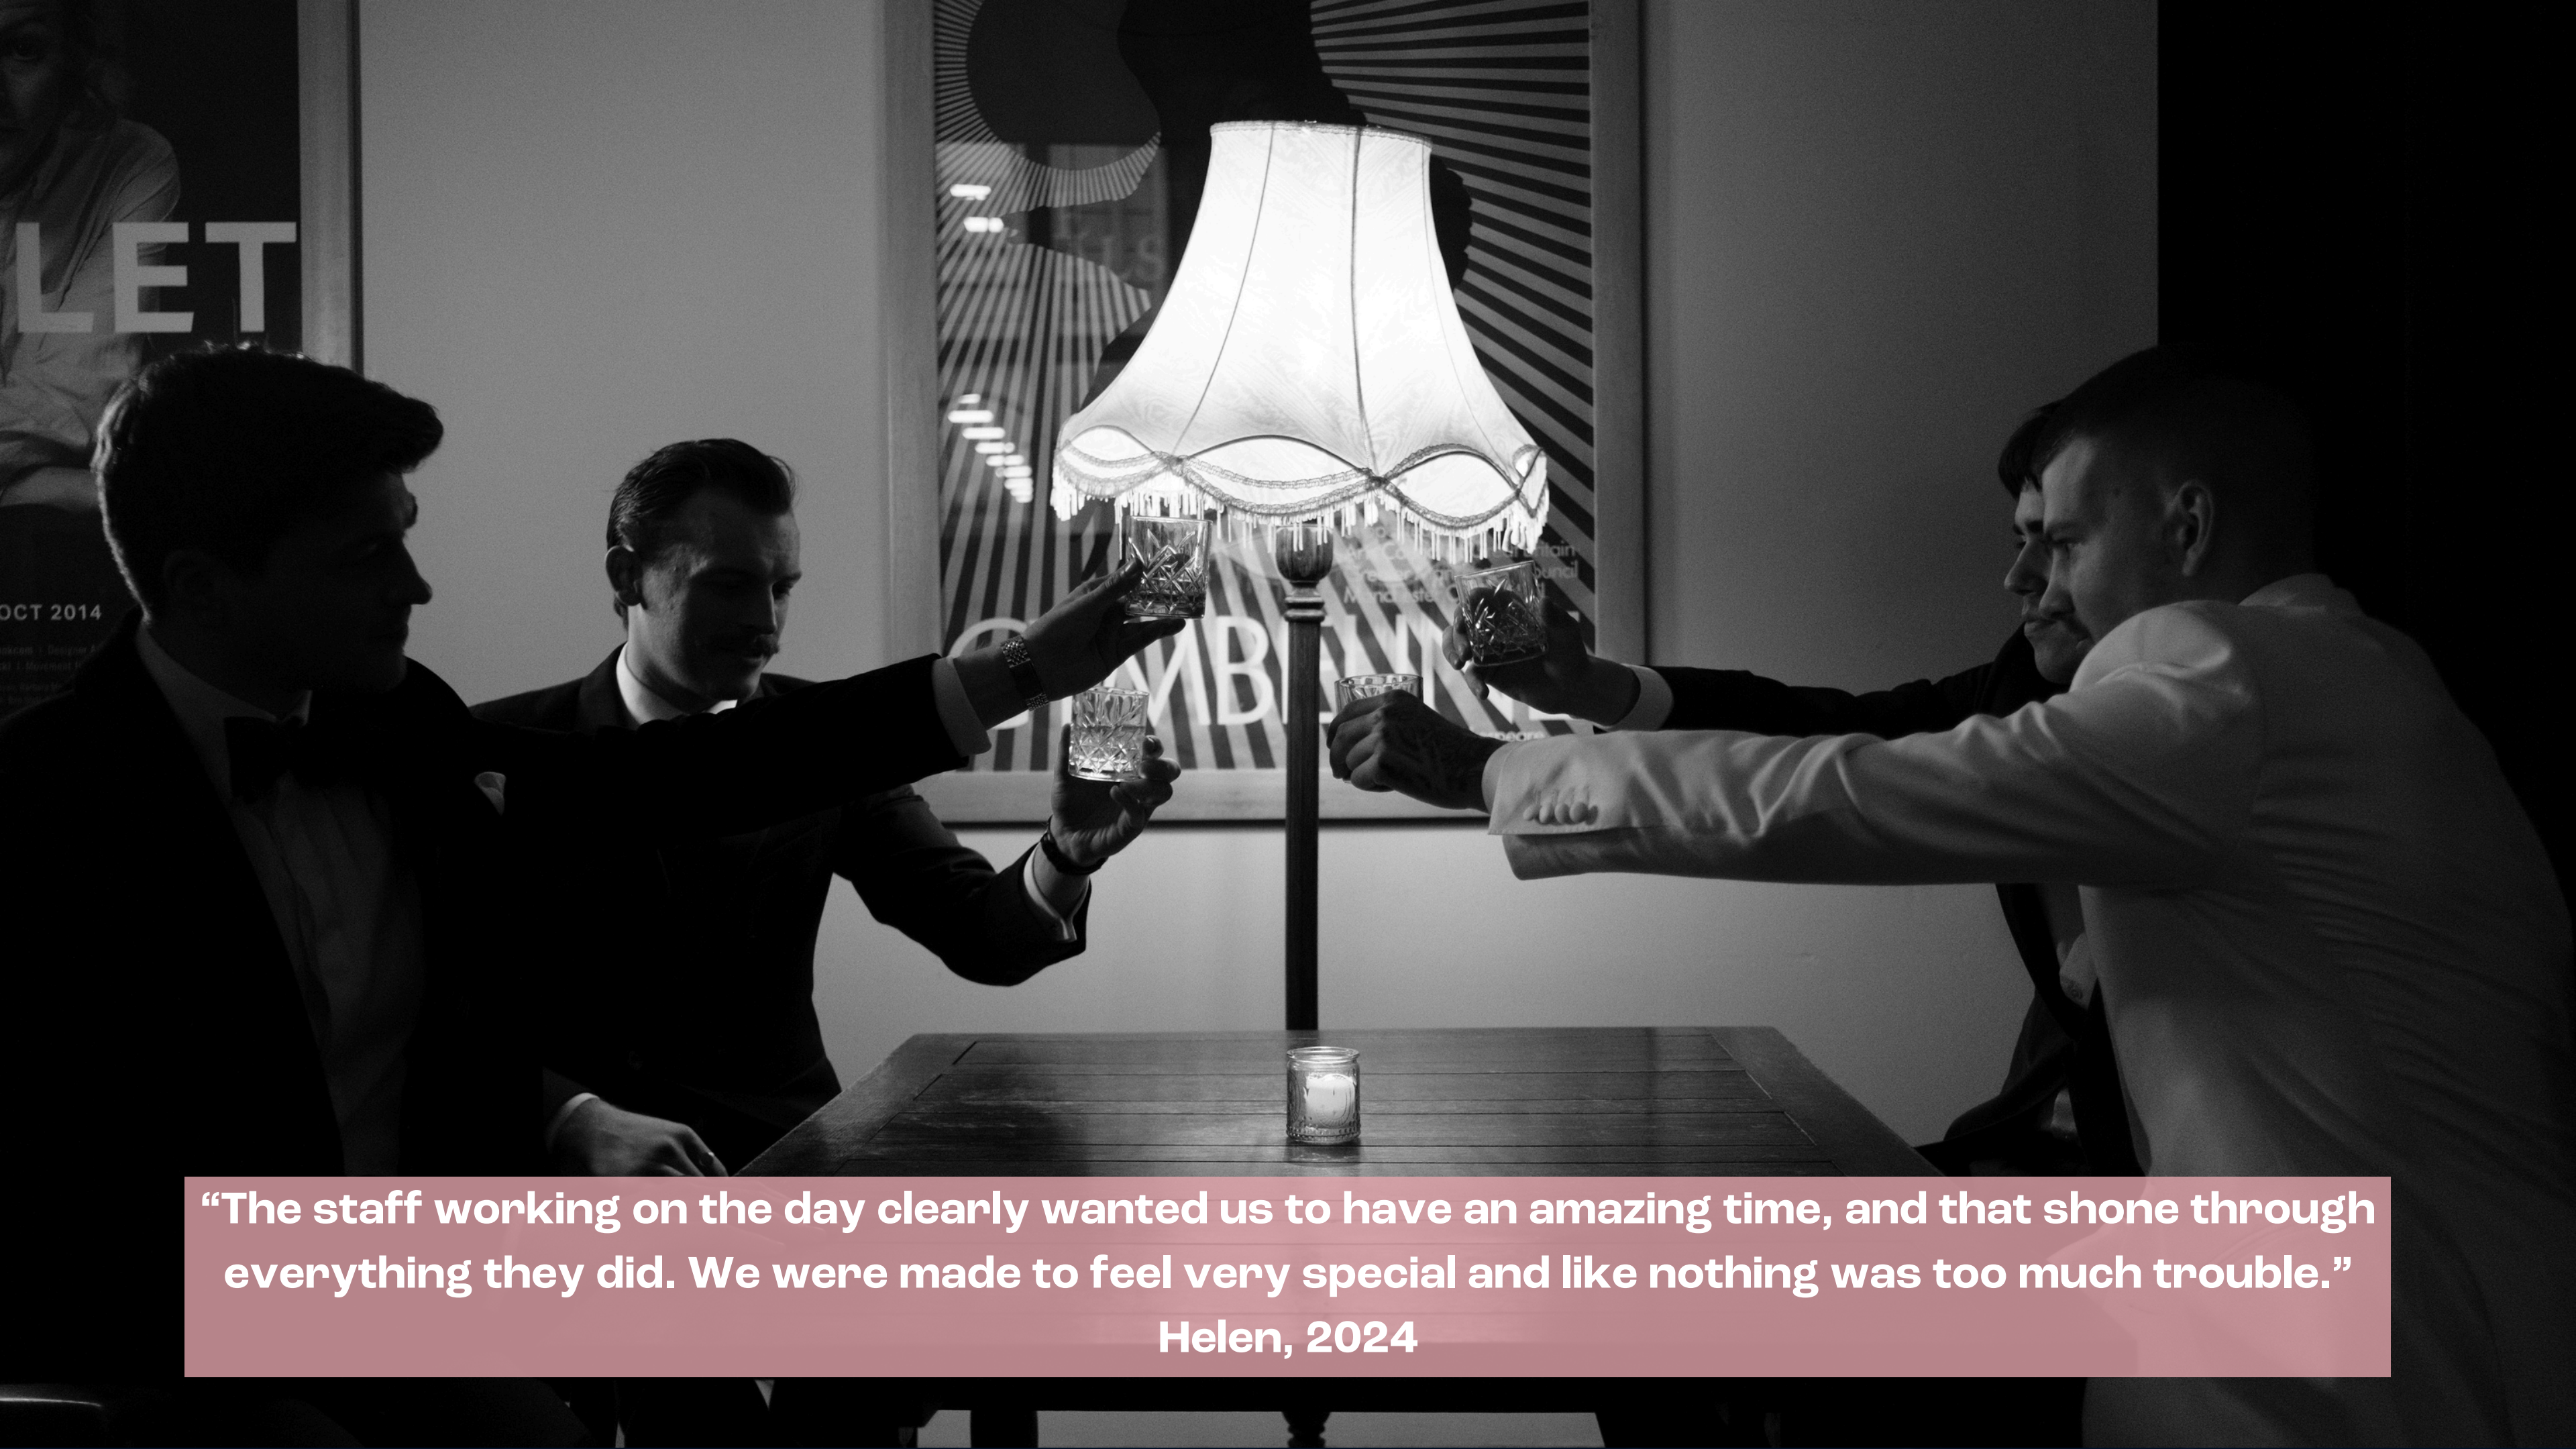

“We searched and searched for a wedding venue that felt special. Then we found the Royal Exchange, and from that point on, our wedding planning became joyous and easy.” Bride and Groom, 2024

“The staff working on the day clearly wanted us to have an amazing time, and that shone through everything they did. We were made to feel very special and like nothing was too much trouble.”

Helen, 2024

A woman with dark hair, wearing a black and white patterned dress, is smiling and looking towards the left. She is surrounded by other people at what appears to be a wedding reception. In the background, there are string lights and other guests. A man in a white jacket and glasses is visible on the left, and another woman in a blue patterned dress is in the background. The scene is dimly lit with warm, ambient lighting.

“We made this stunning, historic building our own for a day. It’s such a special place to us and gives us a thrill to think our wedding is a small part of that building’s history.” Bride & Bride, 2024

“It felt so special for us to put our money into a venue which supports the arts, new artists and creative expression.” K&M, 2024
